B.3	Installation of passive components**	XX	0	0	xxx	xxx	0	0	0
C	Any Other Charges (please specify)***	0	0	0	0	0	0	0	0
Total Cost of Ownership for 5 Years							**0**	**xxx**	

Note:

a. Firewall 2, Firewall 3 should be different OEM make than Firewall 1.

b. *The vendor must provide the cost of 8 No of Switch (As per Technical Specification Annexure 11G). The price will be valid for a period of 1 year. Bank initially will procure 4 No of switches and 4 No are optional. Bank has discretion to procure the optional switches (4 No's) during the 1st year of the contract period.

c. One time Charges towards Implementation Cost for Firewalls, NIPS, Router should include migration cost from existing setup to the new as per by Bank's requirement.

d. The cost quoted by the bidder for all the hardware should include 3 years warranty (to be recoded at unit rate column) and 2 years AMC post warranty period. All the item mentioned in Group "B" is with 25 Yrs warranty and AMC charges for these items are not applicable.

e. **Vendor should provide the cost for Installation of passive components which includes Installation of all passive components, Cable laying, labelling, dressing & tying the cables as per industry standard and testing all components.

f. For each of the above items provided the vendor is required to provide the cost for every line item where the vendor has considered the cost in BOM.

g. The vendor needs to clearly indicate if there are any recurring costs included in the above bid and quantify the same. In the absence of this, the vendor would need to provide the same without any charge. Vendor should make no changes to the quantity.

h. If the cost for any line item is indicated as zero then it will be assumed by the Bank that the said item is provided to the Bank without any cost.

i. All Deliverables to be supplied as per RFP requirements provided in the tender

j. The Service Charges need to include all services and other requirement as mentioned in the RFP

k. The vendor has to make sure all the arithmetical calculations are accurate. Bank will not be held responsible for any incorrect calculation show ever for the purpose of calculation Bank will take the corrected figures / cost.

l. All prices to be in Indian Rupee (INR) only.

m. Prices quoted by the Vendor should be inclusive of all taxes, duties, levies etc. except GST which will be paid extra at actuals. The Vendor is expected to provide the GST amount and GST percentage in both the commercial and masked bids (without amounts being submitted in the technical response). There will be no price escalation for during the contract period and any extension thereof. Bid submitted with an adjustable price quotation will be treated as non-responsive and will be rejected

n. *** Details to be provided for any commercial provided against “Any Other Charges”. Bank have discretion to mark these line items under any other charges if Bank feels these items are not mandatory for the project. Cost of any other charges will be consider for TCO calculation purpose however Bank will place order for these items at Bank’s discretion as per requirement.

o. All Quoted Commercial Values should comprise of values only upto 2 decimal places. Bank for evaluation purpose will consider values only upto 2 decimal places for all calculations & ignore all figures beyond 2 decimal places.
